

Linkable Tile™

Comfort Flow,
Comfort Scrape,
Cushion Station
and HogHeaven

- Linkable Tiles can be combined to fit any workstation in 18" or 36" increments.
- All of the tiles are lightweight and flexible for easy handling.
- Comfort Flow and HogHeaven Tiles are available with a grit-top surface that uses aggressive silicon carbide for added anti-slip properties.

Standard Sizes:
18"x18"
36"x36"
